Oxidation
Carpeting
De-fog Glass
Brake Dust
Door Jambs

Raging Orange is an ALL Purpose degreasing - deodorizing, heavy duty formula which naturally removes all types of dirt, grime and grease.

A revolutionary surfactant system; so superior in efficiency, it threatens to replace every cleaner and degreaser on the market today. It is a powerful water soluble degreaser that derives its strength from a natural solvent that comes from oranges. It is a high solids all purpose organic cleaner degreaser. Non-Flammable, biodegradable, and deodorizes as it cleans. It instantly dissolves greasy, oily soils and can be diluted up to 100 parts water.

DIRECTIONS: May be sprayed with low or high pressure equipment or suitable hand sprayer. Steam, mop, brush, or wipe on any water safe surface. Wipe off or rinse with clear water. Dilutions are recommendations and should be used as a guide.

-Light soil.....1 to 4 oz. per gallon -Medium soil4 to 10 oz. per gallon
-Heavy soil.....10 to 20 oz. per gallon

Steam or Pressure Washing: Dilute 1:30 parts water and apply. Adjust dilution to meet the difficulty of the cleaning job.

REMOVES: DIRT OIL AND GREASE from any water safe surface. Can replace many oil based and petroleum products with a more environmentally preferred water based emulsifier.

****FLOOR SCRUBBERS AND CONCRETE FLOORS:** A great and economical product to remove grease or oil from cement floors with mechanical scrubbing machine or manual.

USE ON: Engines, cement, baked enamel, steel, decks, machinery, exhaust fans, any water safe surface where a Heavy Duty Natural Cleaner Degreaser or Deodorizer is needed.

FOOD ESTABLISHMENTS: Us on any water safe surface such as Ovens, Fryers, Grills, Tables, Counters, Meat Hooks, Machines, Meat Blocks, Conveyors, Refrigerators, Display Cases, Food Carts, Coolers. Vents, Hoods, Exhaust Ducts, etc. "Before using this or any cleaning compound in food areas food products and packaging materials must be removed from the room or carefully protected. After using such cleaning compound, all surfaces must be thoroughly rinsed with potable water.

OTHER APPLICATIONS: Tank Degreasing, Parts washer, Brake dust, Diesels, Distilleries, exhaust Stains, Ferrous and Non Ferrous Metals, Tank Degreasing, Appliance cleaning, Carbon and Oil Remover, Etc.
